One of the UK's fastest growing sports plus voted one of the best extreme activities to do on a night / day out – Each session consists of three parts.

- Neon Party Weekends – Every Friday and Saturday From 12th Nov / Including Live DJ
- Your 75 minute session starts with a quick safety briefing what to do on our lanes
- Our coaches will teach you in pairs how to throw like a pro and destroy our targets
- Then game time, where you throw against your colleagues / mates head-to-head scored games, all of which will be chasing the coveted title of “Lane Champ”
